June 2017

Celebrating The Class of 2017

Congratulations to our senior class of 2017. On May 28, 2017, Scales Mound High School's outstanding seniors were recognized for their hard work and success. Many of our seniors will be attending a university, college, community college, or trade school. We honored two foreign exchange students and wish them success, as one returns to his home country to continue his education and the other will be attending a college in Chicago.

On May 24, 2017, over \$71,000 in scholarship, honorariums, and grants were presented to our senior class. Students were recognized for their academic achievements and community service. This comes out to be approximately \$5,000 per student. Again, this is a credit to our students' hard work and dedication to their education.

Our seniors are off to a great start as they finish their journey at Scales Mound Community Unit School District 211. We wish them the best of luck next year and into the future.

We also want to congratulate our eighth graders who were promoted to the high school on May 26, 2017. Nineteen students will be joining the high school this fall. We are very proud of all they have accomplished and look forward to many more years of success.

In this newsletter we have assembled all of the terrific activities and accomplishments of not only our seniors but also many other students. Please enjoy the stories and we wish everyone a terrific, safe, summer.

Go Hornets!

Dr. Bill Caron
Superintendent
